ICE WEATHER

Among projects planned by a team of scientists in a current U.S. Antarctic research program is the drilling of a 1-1/2-mile ice core which contains a record of the earth's climate for the past 30,000 years. The report comes from the Southern Educational Education Board and gives us a new angle on talk about the weather whether we can do anything about it or not.

ANCESTRY

Must be a real brag topic among cockroaches since theirs is said to date back more than 300 million years, making any Mayflower claims seem pointless.

Scientists, pesticide manufacturers and professional exterminators discover and apply new chemicals only to discover that the cockroaches develop immunity or resistance just about as fast. A new formula uses carbamate and that, say the U.S. Department of Agriculture and the producers, ought to do the job. Time, as the saying goes, will tell. Don't tell the cockroaches. Let it sweep 'em off their feet this time.

HAVE YOU?

Sent in your \$10 for your sustaining membership in the Hondo Public Library? There is still time - and a real need - and you'll be contributing to the educational program in this community. Do it now!

Renewed your membership or joined as a new member in the Hondo Chamber of Commerce? The drive is on now and directors are making their rounds. Manager Harry Filleman says response is encouraging but not so much so that it could not be more so.

Funny thing about our C of C affiliation. Spreads like wildfire come time for the annual banquet, any barbecue or other occasions when the community comes a-running to be among-these-present. Of course, we're made to feel welcome but even more welcome is the support of members on a year-round basis. Takes that to operate a civic service like our Chamber of Commerce. Do that now, too!

Watson Given 20 Years For Taylor Murder

Ollie Watson, Jr., charged with the killing of Johnny Taylor on New Year's Eve, 1966 was found guilty of murder with malice aforethought.

The petit jury returned their verdict at 11:40 Tuesday morning, after hearing evidence presented in the murder trial which opened here Monday morning. District Clerk Francis Bohl read the verdict.

Judge W. O. Murray of San Antonio, Chief Justice (retired) of the Court of Civil Appeals, 4th Supreme Judicial District, presided. He set Watson's punishment at 20 years in the penitentiary.

Francis Richter, defense attorney, advised the Court he would file motion for a new trial within the ten-day period required by law.

The State was represented by District Attorney R. S. Bob Crawford Jr. and County Attorney Frank X. Vance.

In the custody of Sheriff Charles J. Hitzfelder, Watson was remanded to the Medina County jail.

CALF-ROPE

Is apologetically yelled here. The Country Mart, D' Hanis, says they purchased Charles Koch's commercial calf in the recent Medina County Jr. Stock Show and that we failed to mention it in the final report. Consider it mentioned now, please.

Remember when blotters, small size, were favorite giveaways as ads for the give-aways? The little ink-absorbers are seldom seen now, perhaps because of the popularity of ball-point pens. We have had calls for the "hand-size" blotters recently, from rugged individualists who still prefer the fountain pen. Father Victor Schmidtzyk of D'Hanis was one. To make up for our inability to supply, we presented him with the last bottle of fountain pen ink on our shelves. He says it found a happy home and will be used to the last drop.

SIT-IN

With a purpose was planned by the First Presbyterian Church of Navasota. This was an interdenominational project of senior high students. Decorations were those of a typical coffeehouse, small tables, candles and all. Christian youth's responsibility in today's world was the discussion topic. Along with the serious side, the seniors provided vocal and musical entertainment, and refreshments, and a good time was had by all in what must have been one of the most worthwhile sit-ins to make the front page in many a day.

POLITICS

In Madisonville, a candidate for the office of sheriff makes his pitch for votes in a weekly letter, filled with facts and pleasantries. From it we quote: "If you cannot laugh at yourself, you can bet others will. Don't take yourself so serious."

Never were we less serious. Exit laughing right here.

Devine Plans Talent Show

Devine Band Boosters will hold their fifth annual Talent Show Saturday evening, March 2, at the local high school gymnasium.

Mrs. Howard Wallace, chairman, says the program will include variety acts, musical numbers, dancers, comedy, drama, and "general all-around good amateur entertainment."

Proceeds will go to the Warhorse Band's sustaining fund. Admission is \$1 for adults and 50 cents for students and the Boosters say seats are assured in the spacious building.

Fire Razes Dockum Home

A fire which occurred about 10:30 Monday night razed the Leonard Dockum home on Taylor Lane, about 12 miles south of Hondo.

Hondo's Volunteer Fire Department answered the call but were unable to save anything. Building and contents were a total loss. No estimate of the amount involved was made.

The Dockums were in Hondo at a picture show when neighbors turned in the alarm. Last year, their barn and garage were also destroyed by fire.

MCAEC Drive Begins March 4

Medina County Association for Exceptional Children will begin the annual drive for membership and funds on March 4.

House-to-house calls will be made by volunteer workers to seek new and renewal members and to solicit contributions.

The Association seeks to add vocational training to the present program available to exceptional children in this county.

Mrs. Laura Windrow, finance chairman, says "There is a definite need for this special training here. Progress has been remarkable since the Association was established almost six years ago. I feel that the children we seek to help will make a real contribution to our community if we will continue to support their cause."

D'Hanis To Elect Two Trustees

An election to choose two D'Hanis school trustees will be held in that city April 6.

Members whose terms expire this year are Calvin Bendele, position one; and Otis Burrell, position two.

Candidates must file their intention 30 days before April 6 to have their names placed on the ballot. Application may be made to the secretary of the D'Hanis school board or to the county superintendent of Medina County.

Burglars Hit Delony Jewelry

Burglars, one or more, broke a heavy plate glass window to the right of the entrance to Delony's Jewelry Store shortly after midnight Friday.

The store's burglar alarm alerted local police and the night watchman, Zaragosa Lopez, who called Frank Delony to notify him. Delony said that the officers were waiting for him when he reached the store to find shattered glass over the window displays. Missing was a man's watch, valued under \$25, Delony said.

Delony said that the window alarm must have frightened whoever tried to gain entry as a broken beer bottle was found at the front door which is set back from the building line. City police are conducting an investigation.

"This is the first time the alarm has sounded since it was installed some 16 years ago," Delony said. He has occupied the building on Avenue M since 1948.

ROWLETT SUCCEEDS BOEHME

Albert Rowlett has been named to succeed Lester Boehme as manager of the city's water department.

Mayor Jerome Decker made the announcement at a special meeting of the city council Tuesday night when Boehme's resignation was accepted effective Feb. 29.

Rowlett resigned his position as councilman, a post he had held for 3-1/2 years, to take over his new duties March 1.

In making the appointment, Decker said, "Rowlett is well-qualified for the managerial job. He had fulfilled his duties on the council in full acceptance of his responsibility to the public and he is a stickler for doing things right. His previous experience and training in engineering will aid in the performance of his duties."

FIRE DESTROYS YANCEY HI GYM

Fire of undetermined origin completely destroyed the building housing the Yancey gymnasium on the high school grounds Saturday afternoon.

A first estimate of the loss, made by Supt. C. V. Tubbs, was \$75,000. Some of the contents were saved although books and equipment suffered heavy smoke and water damage as the fire occurred in mid-afternoon

in rain that had been falling for almost two days.

Rolando Perez and Efraim Rodriguez, en route from the Heiligman's Yancey IGA Store, noticed smoke pouring from the building about 3:50 p.m. They ran to the school alerting two students Manuel Garcia and Modesto Leal who were doing some painting inside the adjoining building. They notified Supt. C. V. Tubbs at his residence and Tubbs called the Hondo and Devine volunteer fire departments. Trucks fought the huge blaze unsuccessfully for more than an hour.

By the time the trucks arrived, the fire had gained headway in a brisk wind and it was too late to save the building which burned completely to the ground. City police from Hondo were on the scene to handle the heavy traffic of volunteers and others drawn to the scene by the billowing smoke which could be seen from Hondo. Supt. Tubbs and others directed the many students and adult helpers in the removal of such contents as were accessible, but their value was "doubtful" Tubbs said.

Tubbs said the building housed the Title I project, all the equipment and furnishings in the business class room, and the athletic gear.

No official estimate of the estimate had been as of Wednesday. Tubbs said that insurance appraisers were still at work to determine the loss.

Schuehle Not To Seek Council Reelection

In a statement to the Anvil Herald this week, City Councilman Claude Schuehle said he would not be a candidate for reelection on April 6 when his present term of office expires.

Schuehle has served one 2-year term. Other councilmen whose terms are due to expire this year are Marvin Schweers and Albert Rowlett.

Schuehle stated Tuesday that he has filed for reelection. No other candidates had filed at that time.

Boehme Resigns City Water Job

Lester Boehme, manager of the city's water department, tendered his resignation in a letter to the city council Tuesday night. Effective date is February 29.

Pedroza Named To Council Post

G. E. (Pete) Pedroza has been appointed to fill the unexpired term of Councilman Albert Rowlett who resigned Tuesday to accept his appointment as manager of the city's water department, according to announcement by Mayor Jerome Decker.

Pedroza will file as a candidate on the ballot for the city election to be held April 6.

Other candidates who have filed are Marvin Schweers, to succeed himself, and Jack Winkler.

Terms of Rowlett, Schweers and Claude Schuehle expire this year. Schuehle does not seek reelection.

Pedroza is manager of the business machines division of the Hondo Anvil Herald.

Governor Names 'Safety Sunday'

Governor John Connally has proclaimed Sunday, February 25, "Safety Sunday" in Texas and has called on the state's drivers to consider their moral obligations to safeguard the lives of all other users of the streets and highways.

In his proclamation, the Governor said: "It is essential that every Texas driver realize that safety for himself, his loved ones and his friends, as well as other drivers and passengers is a matter of moral responsibility, and that useless infliction of human injury is an abuse of God's most precious gift -- life itself."

Struck By Pickup, Pedestrian Dies

Jesus Martinez Garcia, 60, of 1309 22nd Street, died in Medina Memorial Hospital on Tuesday afternoon.

He was taken to the hospital by Hurley ambulance about 7:10 Monday night after being struck by a '61 Ford 4-wheel drive pickup driven by Raymond Edward Starkey, also of Hondo.

Police Chief John Gravell was on patrol duty when he reached the intersection of US Hwy 90 and Avenue M, at the traffic light just after the accident occurred.

Gravell said that Starkey told him he was blinded by approaching car lights as he attempted to turn left off of Ave. M to the main highway and that he did not see Garcia.

Garcia was conscious and at first directed the officer to take him to his home, Gravell said. Dr. Walter Meyer attended the patient on his arrival at the hospital.

Essay Winners Announced Here

The Medina County Board of Supervisors have chosen five conservation essays from area high school students to compete for the Fort Worth Press awards.

Selected for first place is Steve Ward of Hondo High School; second place - Greg Roth, D'Hanis High School.

In third place is Pete Gutierrez; fourth place - Dennis Mann and fifth place - Johnny Gamboa, all of Hondo High School.

Medina County's application to participate in the USDA State and Federal Commodity Program is "about to get going" according to County Judge Jim Duncan. It is now awaiting final signatures.

Duncan said Monday that, when the program gets underway, 1100 of the county's indigent (dependent children and the aged) would benefit from the plan. He said the total number of beneficiaries is divided to include 502 persons eligible for public assistance and 598 for non-public assistance, according to income as verified by the Department of Labor.

The food program would be administered by the Commodity Division of the State Department of Public Welfare, for review and audit under a trained staff to maintain performance standards.

On the staff will be a commodity supervisor, commodity worker, clerk typist and hourly labor as required, at established wages.

Cost to the county, Duncan said, "will be about \$125 per month. The city has agreed to provide the necessary building at the airbase, rent free."

The 1100 indigents are among the county's total population of 21,000 divided as 4,925 urban and 16,075 rural, as per figures shown on the application for the welfare program. Approximately 36.8 percent of the population have an annual income of under \$3,000. Per capita income is stated at \$1,435.

Judge Duncan said, "Medina County operates on a cash basis but operating funds do not allow for any additional significant expenditures. In applying for financial assistance through the Consumer Food Program, the Commissioners took all of this into consideration, aware of the great need of our indigent families. This will make life less burdensome for them."

City Considers Retirement Plan

In a special meeting Tuesday night, the city council heard Jim Mormon of the Texas Municipal Retirement System, Austin, outline a suggested program for Hondo's participating in the System for its city employees.

The System which began state-wide operation 20 years ago was established by Legislative Act as a retirement and disability pension system for municipal employees in the State of Texas. It represents a Public Trust Fund, is a non-profit type organization, and is governed by a board of trustees, administered in accordance with provisions of the TMR Act.

At present the System has more than 22,000 members representing 178 Texas cities, to which group neighboring Castorville is one of the most recent additions.

Mormon presented to the council facts and figures based on a study of the city's present payroll. Estimated cost, on equal participation by the city and each employee would be 4.9 percent of the total payroll, or about \$9,200 annually.

Proposed was an "educational campaign" to inform the voters in anticipation of their acceptance of the tax.

Qualities Of Survival

Ever since the advent of "modern merchandising" and the entrance of chain stores into the retail distribution field, concern has been expressed over the ultimate fate of the independent merchant. It is true that high volume sales, at minimum prices as pioneered and practiced by the chain stores, are the backbone of the nation's mass-distribution system. It is also true that both chain and independent stores continue to prosper.

One of the most thoughtful commentaries on the current position of the independent merchant was contained in a release from the National Retail Merchants Association. It pointed out that negative ideas seemed to dominate thinking about smaller independent stores; that it is harder today for independents to succeed, that competition is stiffer; that costs of doing business are greater

and profit margins are smaller, etc.

Actually, the opportunities for the good independent retailer are greater than ever before. Modern techniques in retail management and operations are more readily available to smaller retailers. New markets are opening up into which smaller retailers can move and specialize.

The greatest strength of the independent merchant lies now, as in the past, in the development of a store personality, and in personalized service.

Our retailing system needs the independent merchant just as it needs the chain store. And because of the unique services which it can render to customers, the independent store will continue to prosper on its own merits.

The Small Town Newspaper

Without its newspaper, the small-town American Community would be like a school without a teacher or a church without a pastor. In the aggregate, the country newspaper determines the outcome of more elections, exerts a greater influence for constructive community progress, is read longer by more members of the family and constitutes, with its millions of circulation and quadrupled millions of readers, a better advertising medium than any other group of newspapers or periodical publications.

When properly conducted, it cultivates so intensively its home news field that city dailies, farm journals and general magazines circulating in the same territory become only secondary influences.

Through service to its community, the smalltown newspaper will not merely survive; it will continue to flourish as the most representative, most wholesome type of journalism America has produced.

FREEDOM'S FORGE

When Texas celebrates the 132nd anniversary of its independence this March 2, not many will remember that the delegates met in a blacksmith shop to declare their freedom from Mexico.

When it was decided to hold the Texas Convention of Independence at Washington - on the Brazos, the only building large enough to hold the delegates was Noah T. Byars' blacksmith shop. Byars wasn't even a delegate, but he moved the forge and tools out of the shop and installed split logs for seats.

Byars went on to serve in Sam Houston's army, was the first sergeant-at-arms of the Texas Congress and was elected an associate judge of the Travis County Court. Later he tried politics and then became a Baptist missionary. He is buried in Brownwood.

And his blacksmith shop? It has been reconstructed on the original site, and may be visited today at Washington-on-the-Brazos.

ONE OF A KIND

Serbin, in southern Lee County, is one of two Wendish settlements remaining in the world. (The other is in Australia.)

Wends are Germans of Slavic descent who emigrated from southeast Germany in 1854 and settled in more than a dozen communities in Texas. Except for the village of Serbin, however, the Wends (or Serbs, as they prefer to be called) have no recognizable settlement left in the state.

BIG MONEY

Texas' three largest banks

have more than one-fifth of all of the funds on deposit in the entire state.

A TV GHOST THAT'S REAL

More than 14 years after it happened, scientists still can't figure out why the test pattern of a Houston television station was picked up in England -- three years after the station went off the air.

On September 14, 1953, English viewers began picking up the test pattern and call letters of KLEE-TV of Houston. The station had been sold three years before to KPRC-TV. Since that time, the KLEE call letters had not been assigned to any other station in the world. No KLEE test pattern or call letters had been transmitted for 36 months.

What really happened has never been determined. However, scientists who have studied the phenomenon are convinced that it was some kind of a hoax--but they can't explain it.

THE BIG SHOW

When Houston's Roy Hofheinz and some associates bought the Ringling Brothers and Barnum and Bailey Circus last fall, the Texan proved that he was the kind of showman worthy of running an enterprise that calls itself "The Greatest Show on Earth".

With a press agent's sense of the dramatic, Hofheinz insisted on completing the deal at the main gate of the Colosseum in Rome--the spot where the world's first circus was held in the first century.

MICO

By Viola Dugosh

FIRE DEPARTMENT

Members of the Mico Volunteer Fire Department held their regular meeting on Tuesday night in the fire house with a large attendance. Two sections for a proposed constitution and by-laws as compiled by Phil Brant, were voted on an approved by the board. Another truck and a car have been bought and paid for. The car will be used by the Fire Chief and Deputy. After the business meeting, members were served cookies and coffee by Mrs. Bert Marshall Sr., hostess for the month. Next meeting will be March 12 at 7:30 p.m. in the fire house, with Mrs. Jim McDonald as hostess.

Ladies of our community who would like to become a member of the Mico Ladies Auxiliary, are requested to contact Mrs. Matt Dugosh, secretary to the Mico Fire Department. Mr. and Mrs. Conrad Wurzbach of Cliff, Mrs. Gwen Eyerts and Mr. Marvin Koch of San Antonio visited Mr. and Mrs. Matt Dugosh on Friday night.

Mrs. L. M. Samuels, Mrs. Frank Ducos Sr., and Mrs. Schneider, all of San Antonio visited the George Sculleys last weekend.

Mr. and Mrs. Matt Dugosh went to D'Hanis on Sunday to help Mrs. Dugosh's father, Mr. Ferdie Koch, celebrate his 82nd birthday. Mr. and Mrs. Arthur Pue and Mr. and Mrs. Tyrus Koch and children, Melissa and Kevin, of San Antonio also were there.

Mr. and Mrs. Alton Seekatz attended the stock show in San Antonio on Thursday and visited Mr. and Mrs. Justin Meyer. Car license plates will be sold in Mico at the Fire House on March 4th from 9:00 a.m. to 11:00 a.m.

Mr. and Mrs. Dave Bolner were visitors in San Antonio several times this past week. Mr. Bolner had bursts in his shoulder and was under treatment most of the week. Sunday evening he was feeling much better.

Social Security

"Persons who did not initially sign up for the Supplementary Medical Insurance part of Medicare can still do so," said D. G. Hudson, Acting Manager of the social security district office in San Antonio.

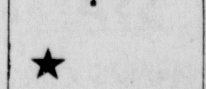

Hudson said that Medicare is divided into two parts. They are: (1) Hospital Insurance, and (2) Medical Insurance. MEDICAL INSURANCE

He said that there was a deadline as to the Medical Insurance part of Medicare for those who are over age 65. Hudson said that they have until April 1, 1968 in which to enroll for Medical Insurance. This is the part that helps persons with their doctor's bills.

Persons wishing to get this part of Medicare who did not sign up before should do so immediately in order to receive this valuable protection which will start July 1, 1968. IN HONDO FEB. 26

For more information, contact the social security representative, David Helmer, who will be in Hondo at the District Courtroom on Monday, February 26 at 9 a.m.

HONDO, TEXAS

You say you fell out of a tree and it'll be eight weeks before you're back in school?

Cheer up. Even Tarzan mis-times a leap now and then.

And don't give up on your school work. We've made it possible for many shut-in students to attend classes even though they're confined to bed. Our school-to-home service is the answer. It's a two-way communications system that lets the student speak and listen to anyone in the classroom.

It's helped many a bright youngster through some pretty gloomy confinements.

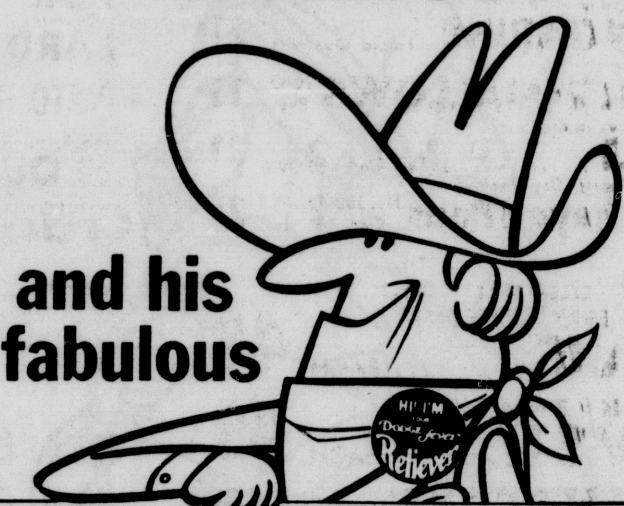

After all, we've had years and years of practice in developing phone arrangements for special problems. We offer phones for hard-of-hearing people, blind people, people who can't use their hands—phones so kids in bed can be in school.

We'll be glad to tackle your problem, too. Just call the telephone business office.

Maybe we can help.

Emily Schubert Has A Birthday

Last Sunday, Mr. and Mrs. John Schubert attended the 94th birthday celebration of Mr. Schubert's mother, Mrs. Emily Schubert, who lives in Columbus. Present also for the happy occasion were Mrs. Schubert's son, W. A. Schubert, and her daughter, Mrs. Annie Le Bleu, both of Columbus. The honoree assisted in the preparation of dinner and presided at her own table for the family gathering.

Although not a native of Columbus, Mrs. Schubert has made her home there for some 30 years and she is a native Texan. She says Texas agrees with her. Her son John who lives in D'Hanis and operates the Credit Bureau of Hondo says jokingly "Texas had better agree with her for she loves life and people and keeps up her interests regardless of the years."

Shower Honors Recent Bride

The home of Mrs. Chester Heyen was the scene of a miscellaneous shower honoring a recent bride, Mrs. Jack Hartung Jr., on Sunday, February 11.

Receiving guests with the hostess and honoree were Mrs. Jack Hartung, Mrs. Chester Heyen, and Mrs. W. A. Purvis, mother of the honoree.

Others participating in serving and registering the guests were Misses Pam Purvis, Helen Ann Saathoff, Terri Henry, Vivian Schulte and Susie Hartung.

The dining table was decorated in the Valentine motif and the house decorations followed the same theme. Co-hostesses with Mrs. Heyen were Mesdames Charles Tondre, Jack Fusselman, Emmett Kollman, Blanton Taylor, Clayton Wools, N. E. Wools, Lewis Boehle, Dan Heilmann, James Amberson, C. T. Woods, Jimmy Gray, John Tondre, Felix Hollmig, W. H. Bendele, Emmett Beard and Misses Helen Ann Saathoff and Mrs. Margaret Henry.

Out-of-town guests were Mrs. Jewel Vickers of Taft and Mrs. Herbert Herrmann of San Antonio.

CASTROVILLE SEEKS SQUARE DANCE CLUB

Castroville enthusiasts of square dancing planned a second meeting Thursday evening at 7:30 in Koenig Park.

Sponsors hope to interest enough members to organize a local club for teenagers and adults who enjoy family fun.

Also from Pearsall were Mesdames Coy Berry, James Berry, John W. Harris, George L. Hess, Emmett Moore, Earl Howard Jr., and David Harrington.

IU Sorority To Attend Ball

Iota Upsilon members are making plans to attend the Jonquil Ball Saturday at Canyon Creek Country Club. Mrs. Bob (Ann) Peden is the local chapter's candidate for District Queen. Members of Sigma Tau chapter also plan to attend.

Mrs. Hilmer Mueller presented a program on social security at the February 13th meeting in the home of Mrs. G. P. Chapman.

Plans were made to paint the club room at the air base and to obtain furniture prior to a benefit bridge planned for March 19.

Mrs. B. P. Strunk presided at the business meeting. Mrs. John Coyle and Mrs. Bill White were co-hostesses with Mrs. Chapman. Mrs. Jake Owens of San Antonio was a guest.

Country Squares Plan Graduation

The Country Squares will hold their second graduation on Saturday, Feb. 24 at 8 p.m. at the club dance hall at the air base.

Approximately 60 members who began instruction last September will receive diplomas and others from the San Antonio and Bandera areas have been invited to participate. Admission is free. Spectators are welcome.

PARTY

A free party night for anyone interested in learning to square dance will start promptly at 7:30 p.m. Monday, February 26, at the hall. The club would like to encourage family groups to learn to dance. Minimum age limit is 12 years and a baby sitting service is provided for those under that age.

AND CHACON LAKE

By Mrs. I. W. Thompson

Mrs. W. L. Fellers went to San Antonio Friday to accompany Mr. Fellers home. He had spent a month in a hospital recuperating from lung surgery.

Mr. and Mrs. Clyde Day motored to Mathis Lake Wednesday for a weekend outing. While there they visited Mr. Day's former school teacher and her husband, Mr. and Mrs. Mack Tant. They report that fishing was poor. They also went sight-seeing in Guerrero Mexico.

Mrs. J. N. Stonebraker and her sister, Mrs. Belma Petry, returned home Friday after a week's stay in Carrizo Springs. Mrs. Stonebraker stayed with Mrs. Petry's grandson, Mike Power, while his parents attended the National Produce Convention in San Francisco, California.

Mr. and Mrs. Herschel B. Smith, Linda and Brett from Corpus Christi spent the weekend with her parents, Mr. and Mrs. R. W. Crawford.

Mr. and Mrs. Thomas W. Campsey from Luling were weekend guests of his parents Mr. and Mrs. Arthur Campsey. Mrs. Campsey's parents, Mr. and Mrs. Bernie Seay, also from Luling, joined the group on Sunday. The ladies attended the bridal shower given in honor of Mrs. Thomas W. Campsey in Devine Sunday afternoon.

Airman David O. Meeker of Bunker Hill, Indiana arrived Saturday for an overnight stay with his parents, the Rev. and

Mrs. Billy Meeker and his brother, Billy Paul.

Mr. and Mrs. I. W. Thompson left Friday morning for San Angelo to visit his sister, Mrs. Helen McIntosh. They had lunch with his brother and sister-in-law, Mr. and Mrs. Melvin A. Thompson. They were enroute to Stamford to attend the funeral of Mrs. Ella May Massey. They went on to Albany for the night with Mrs. Thompson's sister, Mrs. Myrtle DeArman.

Mr. and Mrs. Ferrell W. Hollis and Tommy from Midland spent the weekend with his parents, Mr. and Mrs. Oscar C. Moses.

The Ralph McBurneys motored to Austin Sunday for the day with their son and family, Mr. and Mrs. Ralph McBurney Jr., Deborah Ann, and Karen Marie.

Mrs. Bessie Turner and Mrs. George Peoples from San Antonio spent Sunday afternoon with Mrs. Fred C. Schneider.

Mr. Wayland B. Day was admitted to the Castroville Hospital Friday.

Lloyd Gene Blackburn of Natalia is among the students at Schreiner Institute, Kerrville, named to the first semester honor rolls.

VALENTINE PARTY

Mr. and Mrs. Wesley Robertson, Mrs. T. J. White and Mr. and Mrs. Denver Eugene Day entertained the young people of the Natalia Baptist Church with a Valentine costume party at the church Saturday night.

Valentine decorations adorned the serving table which was covered in a white cloth centered with an arrangement of red roses.

Winners for the best costume were Billy Paul Meeker who was dressed as an Indian seer and Cynthia Saldana who wore a Mod costume.

They were both awarded prizes. Guests who blew the largest bubble gum bubble and made the best hand-made valentine also received prizes. Refreshments of sandwiches, salads, dips, chips, cakes, and punch were served to 27 guests.

2-Way Fishing For Texas-La.

AUSTIN--Sports fishermen from Texas and Louisiana will soon be able to fish anywhere on the boundary waters of the two states with a valid license or an exemption from either state, according to J. R. Singleton, executive director of the Texas Parks and Wildlife Department, and Dr. Leslie L. Glasgow, director of the Louisiana Wildlife and Fisheries Commission.

The new agreement, which will not go into effect for 30 days, climaxes more than a year's work and coordination between the Texas Parks and Wildlife Department and the Louisiana Wildlife and Fisheries Commission.

Common bodies of water between the two states include Sabine Pass, Sabine Lake, Sabine River, Toledo Bend and Caddo Lake. The reciprocal agreement was authorized by Article 978-f-6 of the Texas Penal Code and Louisiana Concurrent Resolution No. 211.

TSA WANTS NEW HEROES

Do you know a hero? The Texas Farm and Ranch Safety Council is looking for a rural Texas resident who performed an act of heroism last year so that they may present him or her the group's Rural Heroism Award.

The award is to be presented to some youngster or adult who has saved someone from a dangerous situation -- from drowning, a burning building or other hazardous situation. The act must have occurred during 1967.

A plaque will be presented to the winner of the Rural Heroism Award on March 18 at the 29th Annual Texas Safety Conference in Dallas.

Anyone wishing to nominate an individual may do so by submitting a letter telling of the heroic deed. All details, including the full names of all persons involved, and any news clippings that may be available, should be submitted.

Entries should be mailed no later than Friday, March 1, to Bob Walsh, Chairman, Rural Heroism Awards Program, WBAP, P.O. Box 1780, Fort Worth, Texas 76101.

LOCAL BUSINESS

Now Is The Time For Ads

One of the most important words in retail sales and advertising is NOW.

Even experienced retailers are baffled by the eternal impatience of the consumer who has made a buying decision. "A family may spend months struggling with the problem of whether it should or should not buy an expensive product such as a new automobile. But once the matter is settled they are not willing to wait another week, or even another day," one auto dealer has observed.

He adds that the pre-sold consumer is not willing to wait

for an order to be filled. If the retailer is not able to fill the buyer's exact wants, the prospect may take a substitute or he may take his business elsewhere. "People who have agonized a long time in making a decision do not wish to postpone enjoyment another second after the decision has been made," he added.

A complete local retail store and adequate newspaper advertising make an ideal combination for satisfying the consumer's need for immediate fulfillment.

When the decision to make a major purchase has been made, the prospective buyer follows a common pattern of action. He is likely to check the last issue of the local newspaper for guidance. He looks for brand names, special sales, payment terms, and information on specific styles.

The buyer's first response is likely to be a visit to the retailer who has done the best job providing shopping information through the local newspaper. Often the advertiser has to do little more than make delivery on the ready-made sales.

MCAEC To Hear Floyd Hill

His subject will be Education of Emotionally Handicapped Children.

The meeting will be open to the public whose attendance is invited.

HERE IN HONDO

Mr. and Mrs. Billy Joe Mumm have a new address. It is 2621 19th Street, Apt. 23, Lubbock. Both are attending Texas Tech College there.

W. D. Baker

Weldon D. Baker, son of Mr. and Mrs. J. D. Baker of Hondo, is manager of the E.D.P. systems at the North American Rockwell Corporation in Albany, Georgia.

In a recent publication of the corporation, a write up stated that the Albany plant is the only one in the Aero Commander Division operating Collection Input stations. The stations are for job reporting, attendance reporting, automated stock expediting control, job status location, and labor loading of the various shops.

HERE IN HONDO

Guests of Mr. and Mrs. Tony Taylor last weekend were their sons, Lt. Ronnie Taylor and Robert T. Taylor and family; and their daughter and son-in-law, Mr. and Mrs. Stan Scott of Boerne. The occasion was a reunion of the immediate family who gathered at the Taylor home here to greet Lt. Taylor who was in the States on a brief temporary assignment from his regular U.S. Army base in Germany. Lt. Taylor returned to Germany this week.

Dr. Zhivago Opens Here

The Raye Theatre is showing Doctor Zhivago Thursday, Friday and Saturday, Feb. 22-23-24.

Ray Jennings announces there will be only one showing each evening beginning promptly at 7:30 p.m. with no increase in admission charges.

He also said that "The Sound of Music" is scheduled for early March viewing, when there will be an increase in price.

"Watch the weekly program in the Anvil Herald," advises Jennings. "The movie calendar is set up well in advance which means there are changes from time-to-time, so watch the paper for correct billings of the shows to come."

Shower To Aid Dockum Family

The Church Women of St. Paul's Lutheran congregation planned a helping-hand shower Thursday afternoon for the Leonard Dockum family of Taylor Lane who lost their home and all their possessions in a fire Monday night.

The courtesy was scheduled for Feb. 22, from 3 to 5 p.m. in the church annex.

Mr. and Mrs. Dockum have five sons: Nick (10), Delbert (8-1/2), Jerry (7), Raymond (5), and Richard who is four. Mr. Dockum's father also makes his home with the family.

"Any household equipment, bedding, school clothing, or cash contributions would be welcome," said Pastor A. M. Hanneman. "This is a case where community help is needed and will be deeply appreciated. We hope the response will be met in the same spirit in which we make the appeal."

MOUNTIE JACK ROTHE, 5, mounts his grandfather's miniature POA, Rusty B, every day for a ride about the family spread. The horse is one of Ernest A. Bendele's proud possessions. Now 21 months old, Rusty B stands 48 inches. He is one of the increasingly popular breed of "Ponies of America", with Appaloosa color and characteristics. Their height limits are 46 to 54 inches. Bendele is an active member of the Pony of the Americas Club whose members breed registered POAs as ponies for children who have outgrown the Shetland pony. The POAs are popular on trail rides, in the show ring, for parades and general all-around use on farms and ranches.

I'm Here

Mr. and Mrs. Richard Little of San Antonio are the parents of Scott Allan, who arrived January 30, 1968, at the Santa Rosa Hospital. He weighed 9 pounds and 1 ounce.

Mr. and Mrs. Ray Darnell of Devine are the grandparents.

Mr. and Mrs. David Persyn of San Antonio are the parents of a son born February 4, 1968 at the Castrovilla Hospital. He weighed 8 pounds and 3-1/2 ounces.

Grandparents are Mr. and Mrs. Gerard Persyn of San Antonio and Mr. and Mrs. Harvey Haby of Rio Medina.

Melissa Lynn Powe was born on February 9, 1968, in the Herman Hospital, Houston, Texas. A brother, David Wayne Powe, welcomed the 7 pound and 7 ounce miss. She is the daughter of Mr. and Mrs. David Powe.

Hwy. 90 League Plans Reunion

If enough persons are interested, a Highway 90 League reunion dinner-dance will be held in Castroville later this spring.

Marvin Franger of LaCoste and Oscar Suehs of Castroville are sounding out former Highway 90 League baseball players on the idea in the hopes of such sometime after Lent.

Preliminary plans are to have a dinner for former players and their wives, followed by a dance, open to the public.

Franger asks all former Highway 90 League players who are interested in a reunion to contact him or Suehs. Franger's home address is LaCoste, Rt. 9, Box 295; or in San Antonio 615 S. Main, CA 7-1311. Suehs resides in Castroville.

The colorful Highway 90 League was revived after World War II and functioned until the late 1950s. During that time fierce rivalries between towns and cities in Medina and Uvalde Counties held the interest of fans on both sides.

SCS GAINING COOPERATORS

Six new cooperators have joined the Medina Valley Soil Conservation District. They are: J. E. Downing, William Jinks Coleman, Edwin Yanta, Leo McLaughlin, John Bean and Virgil Boehme.

The Soil Conservation service now serves some 1250 cooperators with technical assistance throughout Medina County. All landowners with need of agricultural assistance are urged to contact the Hondo SCS office for any information about the area program.

Cattle Browse In Cemetery

Several persons have called the Anvil Herald to protest against cattle browsing in the Oakwood Cemetery area.

Early Saturday morning a reporter went to the place and counted four animals feeding across the graves in an unfenced section of one of the cemeteries. Two were Holstein cows and two were smaller brown animals. Heavy rain was falling and the cows were standing in mud.

Mayor Decker says that a resident whose land adjoins the cemetery has been warned against letting his cattle run loose. Residents are indignant over the desecration of the burial ground.

"I hope the news story will serve as a final warning," Decker said, "because action will definitely be taken unless the animals are kept off the cemetery property."

FFA NEWS

In their meeting on Monday evening members of the Future Farmers of America, Hondo Chapter learned that their concession stand at the recent Medina County stock show netted a profit in excess of \$600. The Stock Show Association received 40%, and the remaining 60% was equally divided between the FFA and the Hondo Chapters of the Future Homemakers of America.

The second-year class is starting shop work for two periods. A number of metal and wood projects are on the planning board.

One project is the construction of 40 display backdrops for the Hondo Garden Club. The backdrops are to be used in the annual flower shows sponsored by the HGC.

Another project is the construction of cattle and sheep self-feeders for local farmers.

Two dates have been circled on the FFA calendar. March 19 marks the Revaldina FFA Livestock-Poultry - Dairy Judging contest. March 25 is the date set for the annual FFA Parent-Son banquet.

Meat Program At HHS Tuesday

A special program on meats will be held Tuesday, February 27, at the Hondo High School cafeteria at 5:00 p.m. Bill Nix, beef sales manager for Roegelins, San Antonio, will comment on a calf carcass purchased by Hondo Livestock Auction at the recent show sale here.

Purpose of this training session is to show 4-H and FFA members the amount of loss resulting from overfinished steers. The meeting is open to the public.

IMPORTANT IMPROVEMENTS IN MEDICARE THIS YEAR

By D. G. Hudson

Here are some of the more important improvements in the Medicare program under the social security amendments signed by President Johnson on January 2, 1968.

PAYMENT FOR DOCTOR BILLS

Medicare beneficiaries whose physicians prefer to bill them directly instead of billing Medicare will no longer have to pay the bill and get it receipted before they can collect Medicare payments.

Under the old law, if the doctor did not want to submit his bill to Medicare, a Medicare beneficiary had to pay the bill and get it itemized and receipted in order to claim payment from Medicare. Now, beginning January 1, 1968, all the patient needs to send in with his request for payment is an itemized bill, even if he has not yet paid the doctor. If the doctor's office will fill out the bottom part of the standard request for payment form, this will serve as the itemized bill.

MORE HOSPITAL DAYS COVERED

Beginning January 1, a person covered under the Hospital Insurance part of Medicare will be eligible for 60 additional days of care partly paid for by Medicare. This is a "lifetime reserve" that you can draw upon if you have used up the 90 days in a "spell of illness". During these additional days, your Medicare will pay all but \$20 a day of your covered hospital expenses.

As before, a "spell of illness" does not end until a 60-day period has passed during which you were not a patient

Second Lieutenant Roy H. Nietenhoefer Jr., son of Mr. and Mrs. Roy H. Nietenhoefer Sr. of R.R. 1, Hondo, is on temporary duty at Andersen AFB, Guam.

Lt. Nietenhoefer, a Strategic Air Command administrative officer, supports B-52 Stratofortress aircrews who fly almost daily bombing missions against Viet Cong targets in Vietnam.

The lieutenant is permanently assigned at Ellsworth AFB, S.D.

A 1962 graduate of Hondo High School, he received his B.B.A. degree in 1966 from Sul Ross State College, Alpine.

Lt. Nietenhoefer was commissioned in 1967 upon completion of Officers Training School at Lackland AFB, Tex.

in any hospital or skilled nursing home. When a spell of illness ends, you again become eligible for up to 90 days of hospital insurance benefits. The 60-day reserve, however, is a lifetime reserve, and none of it is replaced after you use it.

SERVICES IN NON-COVERED HOSPITALS

Also, the Medicare program may now make partial payment of bills for treatment before January 1, 1968, in hospitals not participating in the Medicare program. If you had to pay a hospital bill because you were treated in such a hospital, it may be possible for you to be reimbursed, if the hospital meets certain minimum standards, i.e., it is licensed as a hospital; has a full-time nursing service; and provides medical care under the supervision of a doctor.

During the first year of Medicare some hospitals were not able to take part in the Medicare program and others have not chosen to take part, for one reason or another. A special provision for payment in emergency cases helped many people, but there were some hospitals which did not qualify even under the emergency provisions. And some people covered by Medicare and admitted to these hospitals when there was no medical emergency provision mistakenly believed that Medicare would pay their bills.

If you were a Medicare beneficiary between July 1, 1966 and December 31, 1967, and could not earlier get payment under Medicare for a stay in a hospital that did not take part in Medicare, ask the hospital or your social security office to help you apply for benefits.

MORE BILLS PAID

Starting April 1, 1968, the Medical Insurance part of Medicare will pay the full reasonable charges of radiologists' and pathologists' services while you are a hospital inpatient, if you are enrolled for Medical Insurance. Under the old law, Medicare paid only 80 percent of the charges after the \$50 deductible had been met.

Under the old law, if you were in a hospital or extended care facility and were not eligible for hospital insurance payments — because you had used up all your hospital insurance benefit days, or because you did not enter the extended care facility within 14 days after a hospital stay of at least 3 days — services such as X-rays and laboratory services were not covered by either Hospital or Medical Insurance.

As of April 1, Medical Insurance will cover such services if you are in a hospital or extended care facility. These services would ordinarily have been paid for as part of your doctor's bills if you had not been in the institution.

PHYSICAL THERAPY PAYMENTS BROADENED

Another change in the Medicare program provides payments for physical therapy under Medical Insurance, in your home or elsewhere, if it is furnished by an approved hospital, clinic, rehabilitation center, or public health agency.

Witness my official hand and seal of office, at Hondo, Texas, on the 16 day of February A.D. 1968.

James R. Duncan
County Judge
Medina County, Texas
(4tc8)

At a meeting held 17 January 1968, the Board of Trustees of the Hondo Independent School District ordered an election to be held Saturday, April 6, for the purpose of electing three trustees. The election will be held at the Lacy School Gymnasium.

Terms expiring this year are for Positions 5, 6 and 7, being held respectively by T. G. Kuykendall, Jack Been and J. E. Sandusky. All three men have filed for re-election.

Persons who wish to file as candidates must do so 30 days prior to the date of the election. Application forms may be obtained at the office of the superintendent of schools. (4tc8)
